

## Issue 2 of Our Newsletter is Ready to Read!

Tuesday, November 10, 2009

We're excited about the latest issue of our newsletter. This newsletter will help us all become better acquainted with Teamsters Local 1205.

In this newsletter you will:

- Hear from eight members of Teamsters Local 1205 who work in a variety of industries, including school bus. Find out what their pay, health care, benefits and treatment on the job is like as Teamsters! You will see the difference.
- Hear more about our future Teamster local union from Timothy Lynch, President of Local 1205, and learn more about the difference Teamster contracts make in the workplace.
- Get the facts! See a comparison of our situation at Baumann with Local 1205 Teamster members who work at First Student. We've crunched the numbers and the facts speak for themselves—see what they're getting for pay, health insurance, dental/optical, safety and rights on the job!
- Tell us YOUR priorities! Find out how to fill out a bargaining survey so we can get to work on a contract after we vote to join Teamsters Local 1205 on November 20!
