

The Countdown Begins!

Friday, October 30, 2009

The countdown begins! On November 20, we will have the opportunity to vote for change in our workplace! We're looking forward to having the representation of Teamsters Local 1205 for better wages, an end to pay shortages, better and more affordable benefits, respect and a say at work! Check out the first issue of our Baumann, Acme, Brookset and Alert workers newsletter, as we count down to our Teamster election!

In this issue you will read about:

- Our march on the boss! We delivered a strong message to Baumann!
- Our "Rally for Respect" with our coworkers, Teamsters General President Jim Hoffa, Senator Chuck Schumer and more! The crowd overflowed the room into the streets!
- Hear from our coworkers Sebrina Bugiada, Elemenise Bennett and Bill Watson on why they want to join the Teamsters!
- Get the facts on Teamster dues
- Find out what to do about wage theft and how to get justice for your hard earned, lost money!

Also, check out our newsletter insert. It shows the important difference that will be made by us becoming Teamsters! This newsletter insert is also available in Spanish and Creole.

We'll be putting out newsletters regularly leading up to our Teamsters election on November 20! Read this newsletter and make sure you vote!
