

We WON!

We're Teamsters Now!

We're thrilled to announce that all of our hard work and unity paid off! On Friday, November 20, we voted 906-644 to join Teamsters Local 1205! The vote turnout was overwhelming!

We want to thank everyone for turning out the vote. Now we need to continue working together and focus on our priorities—fair pay, affordable and decent health care, respect and more—so we can negotiate a contract that will improve our working conditions. For this to happen, we need and welcome everyone's participation! We look forward to working together for a brighter future at Baumann, Acme, Brookset and Alert!

Sincerely,

Your Co-workers on the Organizing Committee
