

WE WILL ELECT OUR SHOP STEWARDS ONCE WE ELECT OUR UNION!

**If Baumann's Consultants Are Lying About This,
You Can Bet They Are Lying About A Lot More!**

***If "Hector", "Alex",
"Eric", and "Geri" had
no problem telling you
this lie, how can you
believe the other things
they are saying!***

- Union busters at Baumann's mandatory meetings have led people to believe that shop stewards are picked by the local union. This is a **LIE**.
- The truth is all of our shop stewards will be voted in by us—the workers at Baumann, Acme, Brookset and Alert. ALL shop stewards at Local 1205 are elected.
- A shop steward is one of us who we vote in to fight on behalf of us and our issues. This individual will receive solid training from the Teamsters and will be supported by a Teamster business agent, the local union, the Teamsters Joint Council and the International Union—which has an extensive amount of resources that help school bus worker members.

**We encourage all Baumann employees to
VOTE YES for the Union on November 20!**

- Please feel free to contact a representative of Teamsters Local 1205 with any questions at (516) 501-1205, Ext. 30.
